Background

A meeting of the Professional Advisory Committee (PAC) was held on March 20, 2025 to revisit the initial recommendations of the PAC selections for the artwork acquisition portions of the public art selection process for the new Civil and Probate Courthouse. As the building is prepped for operations, the client team has identified several specific areas and scope of desired artworks for the courthouse, which would require approximately 60 works of art for corridors, waiting rooms and office lobbies throughout the building. With an allocation of \$300,000.00 for acquiring new work, the PAC reviewed the credentials of artists shortlisted back in 2022 taking into account the program and client's desire to select work that reflects the diversity of local artists in Miami-Dade County, prioritizing artists who are new to the program and who may be underrepresented, and not already engaged in current program commissions or acquisitions.

Based on these criteria, the PAC unanimously recommended twenty-seven (27) artists which also included new invitational recommendations that met the desired criteria. These artists were invited to submit up to six (6) available existing works for review by the APP Curator and potential acquisition for the project's ArtBank Civil and Probate Courthouse. Of the twenty-seven (27), only twenty-five (25) artists have available artwork at the scale, medium, and subject matter that is appropriate for this ArtBank Collection. The following artists and selected works were vetted and approved by the APP and client teams as part of the permanent artwork collection of the new facility:
