

ANNUAL EVERY D-ROP COUNTS POSTER CONTEST

1. Submit a copy of this document with the total number of participating students, and keep another copy for your records.
2. Multiple teachers may participate. Each teacher should submit their own completed form with their name and quantities.
3. T-shirt requests must match the number of posters submitted. Only students who submit posters are eligible for a free T-shirt.
4. Schools should collect all teacher forms and submit them together as one bundled set. This helps us accurately prepare the summary and T-shirt package(s) for your school.
