Due to the continued threat posed by COVID-19, I believe the declaration of a Local State of Emergency must be extended to allow me, as Mayor of Miami-Dade County, to continue to take the extraordinary and immediate actions required to protect the public health, safety, and welfare of the 2.8 million residents of Miami-Dade County. Additionally, extending the Local State of Emergency will allow Miami-Dade County to seek reimbursement from state and federal governments as well as to qualify for available state and federal funding to aid in economic recovery efforts.

Further Affiant sayeth naught.
