Subject: Miscellaneous Construction Contract Program Quarterly Report Third Quarter FY2020-21

Pursuant to Section 2-8.7.01(6) of the County Code, which established the Miscellaneous Construction Contracts (MCC) Program, attached is the third Quarter Report for FY 2020-21. The MCC Program consists of two (2) plans:

- MCC 7040 is a pool that includes only Small Business Enterprise-Construction (SBE-CON) certified firms. All solicitations under this component are sheltered for SBE-CON firms only; and
- MCC 7360 is used for competitive solicitations when federal funding is involved, or when a 100 percent SBE-CON measures is not feasible due to the lack of availability of certified vendors in specific construction trades.

A total of awards valued at \$36,268,911 were awarded during the third quarter of FY 2020-21. The charts below show the totals for the third quarter of FY 2020-21 by comparison the same quarter for the previous year 2019-2020:
