

Memorandum

Date: September 13, 2021

To: Honorable Chairman Jose “Pepe” Diaz
and Members, Board of County Commissioners

From: Daniella Levine Cava 
Mayor

Subject: Mayoral Appointment – Director of the Miami-Dade Aviation Department

Pursuant to the authority vested in me under Section 2.02(C) of the Miami-Dade County Home Rule Charter, I hereby appoint Ralph Cutié to the position of Director of the Aviation Department, effective immediately.

Ralph is a 30-year County veteran with more than 32 years of experience in departments spanning Miami-Dade Transit, the Office of Capital Improvements, and the Internal Services Department. Prior to serving as Interim Director of the Aviation Department, Ralph served as Assistant Director for Facilities Management and Engineering, overseeing the largest and most diverse division within the Aviation Department, comprised of more than 440 employees, an annual operating budget of nearly \$123 million and a reserve maintenance budget of \$30 million. This division – which includes facilities maintenance planning, engineering and construction, facilities maintenance and utilities, terminal maintenance, and general aviation airports maintenance – provides maintenance services as well as utilities, public works, and cargo area support to MIA and the County’s four GA airports, responds to emergencies and critical issues that require engineering expertise, and is responsible for all in-house maintenance-related engineering, architecture, construction and interior design projects.

Ralph has served as Interim Director since June, demonstrating his great expertise and professionalism, and his clear qualifications to serve in this important role.

Ralph holds a Bachelor of Science in Construction Management from Florida International University. His resume is attached for your reference.

MIA is the County’s largest economic engine. I’m committed to working closely with Ralph to ensure we are providing a safe and positive workplace for thousands of employees and contractors, and leveraging contracting opportunities to expand equitable economic development for more small and local businesses, as we continue to grow tourism and trade at one of the nation’s busiest international airports.

Please join me once again in congratulating Ralph on this appointment and in thanking him for his service to Miami-Dade County.

Attachment

c: Honorable Harvey Ruvlin, Clerk of the Courts
Geri Bonzon-Keenan, County Attorney
Gerald Sanchez, First Assistant County Attorney
Jess McCarty, Executive Assistant County Attorney
Office of the Mayor Senior Staff
Department Directors
Yinka Majekodunmi, Commission Auditor
Jennifer Moon, Chief, Office of Policy and Budgetary Affairs
Melissa Adames, Director, Clerk of the Board
Eugene Love, Agenda Coordinator

RAFAEL A. CUTIE

ACADEMIC BACKGROUND

Florida International University

B.S. Construction Management - 1989

University of Miami

1.5 years coursework in Architecture - 1985-86

Christopher Columbus High School - 1984

EDUCATIONAL SEMINARS

- Primavera Project Planner for Windows Scheduling Software (November, 1994)
- Metro-Dade County Supervisor Certification Program (Completed in November, 1993)
- Primavera Project Planner-DOS Version (November, 1991)

COMPUTER SKILLS

Very proficient in the following computer software:

- Primavera Project Planner Scheduling Software for Windows (16 years experience),
- Microsoft Project Scheduling Software (22 years' experience),
- Microsoft Office Software including Microsoft Excel and Microsoft Word (30 years' experience)
- Microsoft Power Point

OTHER SKILLS

Excellent oral and written communication skills

EXPERIENCE HIGHLIGHTS

Overview

- Possess more than **33** years' professional experience in management including the planning, organizing, directing, management and maintenance of large-scale facility and capital improvement engineering/construction projects including:
 - Currently serving as **Interim Aviation Director and Chief Executive Officer for Miami-Dade Aviation Department**. Responsible for overall management of Miami International Airport (MIA) and it's four General Aviation Airports (GAA). Responsible for the General Operations of MIA and the GAAs, which together generate \$31.9 billion in business revenue and support more than 275,000 direct and indirect jobs. Miami International Airport handles more than 46 million passengers and more than two million tons of cargo annually, placing it among America's busiest international passenger and cargo airports.
 - **4.5 years' Management experience** as Assistant Director MDAD Facilities Management and Engineering Division. This is the largest and most diverse division within the Aviation Department, comprised of nearly **450** employees grouped into Facilities Maintenance, Planning, Engineering and Construction (FMPEC), Terminal Maintenance and General Aviation Airports Maintenance with a budget of more than **\$180 million**. The division provides engineering, construction, utilities, public works and cargo area support to MIA and the County's four general aviation (GA) airports. The Division also responds to emergencies and critical issues that require engineering expertise and are responsible for all in-house architecture and interior design projects. Responsibilities also include hurricane planning and preparation, construction, project management, estimates, life

safety/OSHA compliance, divisional budget/cost controls, facility management, and mechanical, electrical and plumbing systems, including computer design applications.

- **4 years' Management experience** as the Division Director for MDAD's Facilities Maintenance Planning, Engineering and Construction (MPEC) Division within the MDAD Facilities Management & Engineering Directorate. Division responsible for security infrastructure, signage, maintenance engineering, maintenance construction & contracts, administrative/QA/safety services and technical support sections. Implemented award-winning (NACO 2017) MCC-7040 MDAD Maintenance Construction Program.
- **16 years of Management, Project Controls and Project Management experience** with Miami-Dade Transit (MDT) on large complex construction projects such as the Metromover Extension Project (\$248 million), Metrorail Extension to the Palmetto Expressway (\$88 million) and Busway Extension to Florida City (\$106 million);
- **5.5 years' Management experience** with the Office of Capital Improvements (OCI) managing the County's Economic Stimulus Plan (ESP) and Construction Manager Training Programs, developing the Standard Construction Contract approved by the Board of County Commissioners in November 2012, and implementation of the County's \$2.9 Billion Building Better Communities – General Obligation Bond (BBC-GOB) Program;
- **1.5 years' Management experience** in the Internal Services Department's (ISD's) Design & Construction Services and Procurement Divisions managing the County's ESP, MCC and CM Training Programs and supervising the Construction Management Section;
- **2 years' Management experience** in the private sector as a construction cost estimator and project manager for a specialty contractor;
- Extensive practical experience with "cost-loaded" critical path method (CPM) schedules, related advanced project management techniques and claims & disputes analysis, administration and resolution;
- **27 years of County supervisory experience** obtained working in four different County departments;
- Extensive experience in the development and maintenance of standard contract language and specifications for capital projects including development of the **Standard Construction Contract** approved by the Board of County Commissioners on November 8, 2012;
- Extensive experience providing scheduling and project management support for MDT divisions during the planning, design, bid & award and construction phases of MDT Capital projects;

Employment History (Detail)
