Subject: Baynanza Biscayne Bay Cleanup Day on November 6, 2021

The Department of Regulatory and Economic Resources (RER) appreciates your participation and support of our annual Baynanza events. This year, we invite you to the 39th annual Baynanza Biscayne Bay Cleanup Day. Biscayne Bay Cleanup Day will take place on November 6, 2021 from 9 a.m. until noon. On this day, Miami-Dade County and city government officials, Girl and Boy Scout troops, school groups, and various community groups clean up the shoreline and nearby islands of Biscayne Bay.

Due to the challenges of the COVID-19 pandemic, the 2020 Clean-up Day was canceled, while this year's Cleanup Day was postponed from its standard April date. This late season Cleanup Day provides an opportunity to highlight the importance of protecting our Bay's fragile ecosystem, recognizes the support of the sponsors and winning artists who helped prepare for the 2020 Baynanza event, and anticipates our 40th year anniversary of Baynanza Biscayne Bay Cleanup Day in 2022.

Please join us at the Deering Estate North Addition, where I plan on attending, or any of the designated cleanup sites along the coast. The Deering event begins at 9 a.m. with opening remarks, followed by our shoreline cleanup. The complete list of designated cleanup sites can be found on our website at www.miamidade.gov/environment/baynanza.asp.

Please contact John Andersen at (305) 372-6849 or via email at John.Andersen@miamidade.gov to confirm your attendance.
