REPORT ON IMPLEMENTATION OF AMENDED COUNTY POLICY REGARDING PRE-EMPLOYMENT PHYSICAL AND MEDICAL EXAMINATIONS AS A CONDITION OF COUNTY EMPLOYMENT - DIRECTIVE NO. 241402

Sponsor(s): Mayor

**Notes:**

This report provides an update on the implementation of Miami-Dade County Resolution R-948-24, which directed the elimination of pre-employment physical and medical examinations for certain County job positions. The People and Internal Operations Department (PIOD) amended County Procedure No. 486 (Physical Examinations) to remove these requirements for positions that are primarily administrative, professional, or clerical, while maintaining examinations, including drug and alcohol screening, for safety-sensitive, high/special risk, DOT-related, and physically demanding jobs. PIOD will submit an agenda item to rescind Administrative Order 7-27 and approve Implementing Order 7-27 to align with this policy change, which aims to reduce onboarding time for new hires. The intergovernmental agreement with Jackson Health System was reviewed with no contractual conflicts, and the Miami-Dade County Careers website has been updated to reflect these changes.

COVER MEMO FOR THE COMPREHENSIVE REPORT ON SOLID WASTE MANAGEMENT – DIRECTIVE NO. 250538

Sponsor(s): Mayor

**Notes:**

This report provides a review of Miami-Dade County's solid waste management strategies, as

---

directed by multiple Board resolutions. Key findings include that no waste-to-energy (WTE) respondents offered specific siting details or their own properties, though several suggested public-private partnerships (P3s) with private financing models and County property leases. The administration recommends continuing long-hauling waste using current contracted capacity while exploring an out-of-county landfill and implementing Zero Waste Master Plan initiatives. The report also summarizes market research showing WTE facilities would cost \$1.5B-\$1.9B over 7-10 years with operating costs of \$45-\$75 per ton, while landfill optimization remains the most financially feasible near-term solution, maintaining current disposal rates at \$78.50 per ton versus future third-party disposal costs of \$97.79 per ton if expansions are not pursued.

The report recommends pursuing landfill optimizations at North Dade and South Dade Landfills for additional life and revenue, continuing stakeholder input for the Zero Waste Master Plan due by 2026, and evaluating multiple waste diversion and recycling programs.

This expansion is projected to generate \$745,911.00 in new property tax revenues for the County and deliver a net fiscal benefit of \$151,911.00. The project must meet all TJIF requirements, including a five-year job creation timeline, hiring Miami-Dade residents where possible, and maintaining those jobs to remain eligible for incentive disbursements.

ORDINANCE RELATING TO WATER AND SEWER REGULATION; AMENDING SECTION 32-4 OF THE CODE OF MIAMI-DADE COUNTY, FLORIDA; CREATING SECTION 32-56 OF THE CODE; ESTABLISHING MINIMUM STANDARDS FOR MUNICIPAL PUBLIC UTILITIES OPERATING OUTSIDE OF THE BOUNDARIES OF SUCH MUNICIPALITY; PROVIDING FOR ENFORCEMENT OF SUCH MINIMUM STANDARDS; AMENDING SECTION 8CC-10 OF THE CODE; PROVIDING FOR CIVIL PENALTIES; REQUIRING COUNTY MAYOR OR COUNTY MAYOR'S DESIGNEE TO PROVIDE REPORT CONCERNING REPEAT VIOLATORS; AND PROVIDING SEVERABILITY, INCLUSION IN THE CODE, AND AN EFFECTIVE DATE

Sponsor(s): Oliver G. Gilbert, III, Prime Sponsor

History:

07/09/2025 - Requires Municipal Notification by BCC

**Notes:**

This ordinance establishes minimum standards for municipal public utilities operating water and sewer services outside their city boundaries within Miami-Dade County. It requires these utilities to comply with Chapter 180, Florida Statutes, and provide the Miami-Dade Water and Sewer

---

Department with written terms and conditions for service agreements with outside consumers within 30 days of this ordinance's effective date or any future changes. Violations carry a civil penalty of \$500 per violation, and repeated violations within two years may result in the Board considering taking over or regulating the municipal utility under its Home Rule Charter authority. The ordinance becomes effective 10 days after enactment.

*Chapter 180 grants municipalities legal authority to build and operate water, sewer, and related utilities, including serving areas outside city limits if they comply with statutory procedures and agreements.*

**5A (250686) Ordinance**

ORDINANCE RELATING TO ADVICE AND POLICY RECOMMENDATIONS MADE BY COUNTY BOARDS; CREATING SECTION 2-11.39.4 OF THE CODE OF MIAMI-DADE COUNTY, FLORIDA; REQUIRING APPROVAL BY BOARD OF COUNTY COMMISSIONERS OF ADVICE AND POLICY RECOMMENDATIONS MADE BY COUNTY BOARDS, TASK FORCES AND CITIZENS' ADVISORY GROUPS PRIOR TO IMPLEMENTATION THEREOF; PROVIDING SEVERABILITY, INCLUSION IN AND EXCLUSION FROM THE CODE, AND AN EFFECTIVE DATE

Sponsor(s): Sen. Rene Garcia, Prime Sponsor

History:

04/01/2025 - Tentatively scheduled for a public hearing before the Policy Council Hearing Date: 05/12/2025

04/01/2025 - Adopted on first reading by BCC Passed 12 - 0

06/09/2025 - Meeting canceled due to lack of a quorum by Policy Council

06/11/2025 - Per Ord 20-38, item placed by BCC Chair without committee review and not subject to 4-day rule by Chairperson to BCC

**Notes:**

This ordinance creates Section 2-11.39.4 of the County Code to require that all policy-related advice or recommendations made by any County board, task force, or citizens' advisory group must be formally approved by the Board of County Commissioners before implementation. This includes boards with advisory roles, oversight functions, or quasi-judicial duties, such as the Unsafe Structures Board and the Board of Rules and Appeals. The measure reinforces that policymaking authority rests solely with the Board, regardless of previous code provisions or resolutions.

**5A SUBSTITUTE (251381) Ordinance**

ORDINANCE RELATING TO ADVICE AND POLICY RECOMMENDATIONS MADE BY COUNTY ADVISORY BOARDS; CREATING SECTION 2-11.39.4 OF THE CODE OF MIAMI-DADE COUNTY, FLORIDA; REQUIRING APPROVAL BY BOARD OF COUNTY COMMISSIONERS OF ADVICE AND POLICY RECOMMENDATIONS MADE BY COUNTY ADVISORY BOARDS, TASK FORCES AND

---

CITIZENS' ADVISORY GROUPS PRIOR TO IMPLEMENTATION THEREOF; PROVIDING SEVERABILITY, INCLUSION IN AND EXCLUSION FROM THE CODE, AND AN EFFECTIVE DATE [SEE ORIGINAL ITEM UNDER FILE NO. 250686]

Sponsor(s): Sen. Rene Garcia, Prime Sponsor

**Notes:**

This substitute ordinance differs from the original by limiting its scope to only County boards with solely advisory powers and duties, rather than applying to all County boards. It amends the title and language to reflect this narrower focus, ensuring that any advice or policy recommendations made by advisory boards, task forces, or citizens' advisory groups cannot be implemented until approved by the Board of County Commissioners. The substitute maintains the requirement for Board approval before implementation, but clarifies that it does not include boards with quasi-judicial or other non-advisory functions.

RESOLUTION SETTING THE PROPOSED FISCAL YEAR 2025-26 COUNTYWIDE OPERATING MILLAGE RATE

Sponsor(s): Office of Management and Budget

**Notes:**

This resolution sets the proposed County's property tax rate for the upcoming budget year at 4.5740 mills, which means property owners will pay about \$4.57 for every \$1,000 of their home's taxable value. This rate stays the same as last year and will help the County collect about \$2.226

---

billion to fund services like police, parks, libraries, and other programs that benefit everyone in Miami-Dade County. Setting this rate now allows the County to mail property tax notices in August and plan the budget without raising taxes, even though people's bills can still change if their property value goes up.

**8G2 (251470) Resolution**

**RESOLUTION SETTING THE PROPOSED FISCAL YEAR 2025-26 COUNTYWIDE DEBT SERVICE MILLAGE RATE**

Sponsor(s): Office of Management and Budget

**Notes:**

This resolution sets the County's debt service property tax rate for next year at 0.4171 mills, which means property owners will pay about 42 cents for every \$1,000 of their home's taxable value to repay bonds the public previously approved. This money, about \$203 million total, will go towards paying off debts for programs like Building Better Communities projects, neighborhood parks improvements, and Public Health Trust (Jackson Health System) projects. Setting this rate now allows the County to send property tax notices in August and ensures there is enough money to pay back these voter-approved loans as promised.

**8G3 (251465) Resolution**

**RESOLUTION SETTING THE PROPOSED FISCAL YEAR 2025-26 UNINCORPORATED MUNICIPAL SERVICE AREA OPERATING MILLAGE RATE**

Sponsor(s): Office of Management and Budget

**Notes:**

This resolution sets the property tax rate for people living in the Unincorporated Municipal Service Area (UMSA - areas not within a city) at 1.9090 mills for next year, which means property owners in those areas will pay about \$1.91 for every \$1,000 of their home's taxable value. This rate stays the same as last year and will generate about \$246 million to pay for services like police, parks, road maintenance, and neighborhood services specifically in unincorporated areas. Setting this rate now allows the County to send property tax notices in August and plan the budget.

**8G4 (251466) Resolution**

**RESOLUTION SETTING THE PROPOSED FISCAL YEAR 2025-26 FIRE RESCUE DISTRICT OPERATING MILLAGE RATE**

Sponsor(s): Office of Management and Budget

---

and will generate about \$657 million to pay for fire stations, fire trucks, rescue services, firefighter salaries, and required building upgrades across the county. Setting this rate now allows the County to send property tax notices in August and ensures that fire rescue services continue operating safely and efficiently for the community.

**8G5 (251469) Resolution**

**RESOLUTION SETTING THE PROPOSED FISCAL YEAR 2025-26 LIBRARY DISTRICT OPERATING MILLAGE RATE**

Sponsor(s): Office of Management and Budget

This resolution sets the dates for Miami-Dade County's public budget hearings for the upcoming fiscal year on Thursday, September 4, 2025, at 5:01 p.m. and Thursday, September 18, 2025, at 5:01 p.m. at the Stephen P. Clark Center in downtown Miami. These hearings are required by state law to allow residents to comment on the proposed tax rates and County budget before final adoption, and the dates will be included in the property tax notices mailed out in August. The approval of these dates ensures compliance with legal deadlines and informs municipalities so they do not schedule their own budget hearings on the same dates.

**Notes:**

This resolution authorizes an agreement between Miami-Dade County and the City of Coral Gables to allow the Coral Gables Police Department (CGPD) to use up to three horse stalls at the Ronald Reagan Equestrian Center in Tropical Park for their mounted patrol unit. In exchange, CGPD will patrol Matheson Hammock Park and Tropical Park for four hours per day, three times per week, providing additional security to these heavily used parks. The agreement has a neutral fiscal impact on the County, as the City will cover all costs related to stall maintenance, feed, veterinary care, and equipment, and it will remain in effect for three years or until the Mutual Aid Agreement between the City and the Miami-Dade Sheriff's Office terminates.

The new terminal will handle up to 7,000 passengers, include a parking garage and intermodal facility, and support large ships like Royal Caribbean's Icon-class vessels. This project is expected to bring a net positive fiscal impact of \$2.5 billion to the County over its 36-year agreement, increasing passenger traffic from 600,000 to over 2 million annually. The contract was awarded under the Seaport's expedited ordinance to meet deadlines.

Specifically, it updates the funding language to reflect the approved contract award amount of \$320,920.60 for replacing the roof at the DTPW MIC Building using People’s Transportation Plan Bond Program Funds, instead of a previously listed placeholder amount. The substitute does not change the scope, contractor, funding source, or total contract value.

RESOLUTION RATIFYING THE ACTIONS OF THE COUNTY MAYOR OR COUNTY MAYOR'S DESIGNEE, PURSUANT TO SECTION 2-8.2.12 OF THE CODE OF MIAMI-DADE COUNTY, FLORIDA, THE MIAMI-DADE WATER AND SEWER DEPARTMENT'S ACCELERATION ORDINANCE: (1) REJECTING ALL BIDS FOR CONTRACT NO. S-20072, FURNISH AND INSTALL 36-INCH FORCE MAIN AT N.W. 42ND AVENUE FROM E. 57TH STREET TO SOUTH OF N.W. 128TH STREET, AND (2) RE-ADVERTISING THE PROJECT

Sponsor(s): Sen. Rene Garcia, Prime Sponsor

**Notes:**

This resolution approves the County's decision to reject all bids and re-advertise a project to install a new 36-inch sewer pipe (force main). The original bids, received in late 2024, were protested due to changes in state law affecting small business goals, leading to bid rejections and cancellation of awards. The project is critical to provide backup sewer service for Pump Station 348, which handles over half of Hialeah's sewage, improving reliability and capacity for the community. There is no fiscal impact from rejecting and re-advertising, and a new award will come to the Board soon for approval.

RESOLUTION RATIFYING EMERGENCY CONTRACT NO. 279705 FOR EMERGENCY CONCENTRATOR TANK NO. 2 OVERHAUL IN AN AMOUNT NOT TO EXCEED \$335,000.00 WITH ALM MACHINE, INC. Sponsor(s): Strategic Procurement

**Notes:**

This resolution approves and ratifies an emergency contract for \$335,000 with ALM Machine, Inc. to urgently repair and overhaul Concentrator Tank No. 2 at the Central District Wastewater Treatment Plant on Virginia Key. The tank broke down in February 2025, and because all four concentrators must operate to keep the plant running and avoid environmental and public health risks, immediate repairs were needed without going through normal competitive bidding. The emergency repair ensures the County remains in compliance with its wastewater permit and prevents untreated wastewater from affecting the community and environment. Funding comes from the Water and Sewer Department's proprietary funds, with no impact to the General Fund.

AND AUTHORIZING THE COUNTY MAYOR OR COUNTY MAYOR'S DESIGNEE TO EXERCISE ALL PROVISIONS OF THE CONTRACT, INCLUDING ANY CANCELLATION OR EXTENSIONS, PURSUANT TO SECTION 2-8.1 OF THE COUNTY CODE AND IMPLEMENTING ORDER 3-38

Sponsor(s): Strategic Procurement

**Notes:**

This resolution approves and ratifies an emergency contract with Condo Electric Industrial Supply, Inc. to repair and restore the generator controls system at the Central District Wastewater Treatment Plant on Virginia Key. The plant's backup power generators failed to sync during tests after severe flooding, risking loss of wastewater treatment operations during power outages, which could have violated environmental permits and threatened public health. Due to the urgent need, normal competitive bidding was bypassed, and repairs included reprogramming controllers, recalibrating relays, and performing mechanical repairs to ensure the generators function properly during emergencies. Funding comes from Water and Sewer Department proprietary funds, with no impact to the General Fund.

The contract supports the Housing and Community Development Department's use of the Emphasys Elite platform for managing federal and local housing programs including Housing Choice Vouchers and Public

Housing. The extension will fund maintenance, technical support, and a transition from on-premises to a cloud-based system to enhance performance, security, compliance, and operational efficiency. The contract is funded through the Affordable Housing Trust Fund and RAD funds, with no General Fund impact, and is necessary due to the proprietary nature of the software and lack of alternative vendors for ongoing support.

The renewal amount is \$16 million, bringing the total contract value to \$32 million through December 31, 2026. CompostUSA currently handles approximately 300 wet tons per day and offers biosolid disposal at \$102 per ton, significantly lower than other awarded vendors, providing an estimated annual savings of \$5.49 million. The service ensures compliance with Florida Department of Environmental Protection regulations and avoids environmental issues or operational disruptions due to biosolid backlog.

RESOLUTION MODIFYING RESOLUTION NO. R-629-18 WHICH ESTABLISHED COUNTY POLICY THAT PROHIBITED CERTAIN COUNTY SUBSIDIES RELATED TO THE DESIGN AND CONSTRUCTION OF THE AMERICAN DREAM MIAMI PROJECT

Sponsor(s): Juan Carlos Bermudez, Prime Sponsor

History:

07/01/2025 - 4 Day Rule Invoked by BCC

**Notes:**

This resolution modifies Resolution No. R-629-18, which previously prohibited Miami-Dade County from providing any County financing, grants, loans, subsidies, or tax incentives for the design or construction of the American Dream Miami project. Due to a pending lawsuit filed in April 2025 by the County against International Atlantic, LLC (IAL) for breaching development agreement terms, this modification will allow the County to create a Tax Increment Financing (TIF) district, use impact fees, and spend County dollars on public local roads related to the project, with any negotiated agreements returning to the Board for approval. The fiscal impact includes potential County expenditure on public roads and use of TIF, while the social impact could involve increased development and infrastructure opportunities in the surrounding area.

RESOLUTION MODIFYING RESOLUTION NO. R-629-18 WHICH ESTABLISHED COUNTY POLICY THAT PROHIBITED CERTAIN COUNTY SUBSIDIES RELATED TO THE DESIGN AND CONSTRUCTION OF THE AMERICAN DREAM MIAMI PROJECT [SEE ORIGINAL ITEM UNDER FILE NO. 251388]

Sponsor(s): Juan Carlos Bermudez, Prime Sponsor

**Notes:**

The substitute differs from the original resolution by removing the allowance for creation of a TIF

---

(Tax Increment Financing) district and the use of County dollars for public local roads, which were included in the original. Instead, the substitute adds that federal and state funds are not subject to the restrictions of Resolution No. R-629-18 and corrects a scrivener's error. Overall, it narrows the modification to only allow the use of impact fees and federal or state funds for the American Dream Miami project rather than the broader funding flexibility proposed in the original.

**Notes:**

This resolution approves a settlement between Miami-Dade County and International Atlantic LLC (IAL) regarding IAL's failure to meet development obligations under a 2015 Declaration of Restrictions tied to an 82-acre land conveyance. Under the Second Amendment, IAL will pay the County \$5,000,000 plus interest over five years, with all payments due by September 30, 2029, and the Declaration term will be extended to expire 20 years from the amendment date. In exchange, the County will dismiss its lawsuit seeking \$5,000,000 in liquidated damages and will cooperate with IAL to seek Florida Department of Transportation funding for I-75 and local road development.
