Staffing Plans for Elections (Temps, Accessing County Employees, etc.)	The Countywide August 2022 Primary Election has a budget for approximately 6,100 temporary workers. These workers will be a combination of direct hires and agency hires	Temp employees for Election Day start 2-3 months before the election. Temp employees needed: 4-7 office staff, 20-25 Trainers needed for training classes. 30-40 Field Clerks as support 2 weeks before and on election day. 4-8 Drivers needed 5 days before and on election day. 4,000 – 5,000 Poll Workers needed for election day hired from the general public. Requests are sent to other county offices by the SOE for participation, but it is up to the Supervisors if the county workers can work, it is on a volunteer basis not mandatory.	Hire temps as needed. Recruit poll workers from among county employees as well as the general population	All temporary employees, except Poll Workers, are hired through a temporary employment agency. Orange County BCC provides an opportunity to County Employees to sign up to work the polls, in a specific position, on Election Day or to work at a Collection Site on Election night. The Supervisor of Elections handles the recruitment, training and paying of the Poll Workers.	Use 2,000+ temporary employees		Train about 2000 poll workers and hire 50 temporary election workers		Access approximately 250 temporary employees and 1,000 poll workers	Hire from previous elections, if short may use temp agencies and the like. Do not use floating county employees.
