Are Sheriff's Office Employees Considered County Employees? If not, please explain	No	Yes	No	No	Yes	No	No	No	No		No
Do Sheriff employees belong to a bargaining unit(s)? If so, please explain	The majority of BSO employees are represented by one of seven collective bargaining units, each with its own CBA. Managerial, command-level and certain other confidential employees are unrepresented, and not subject to CBAs	Yes, all full-time employees, with the exception of confidential employees. CBA between PBSO and PBA negotiated every 3 years	No	Sworn Deputies, Court Security officers, Corporals and Sergeants belong to the FOP Union. Mechanics, Evidence Techs, Supply workers are also in a CBA	Yes. The following bargaining units cover employees: FOP, AFSCME, JSA, CWA	Sworn law enforcement deputies and supervisors are part of a CBA and are represented by the PBA	No	No	Yes, the Sheriff's Office has 5 PERC certified bargaining units. Law Enforcement Deputies, Law Enforcement Sergeant and Lieutenant, Correctional Deputies, Correctional Sergeant and Lieutenant and Civilians		No
If collective bargaining agreements are in place, by whom are those negotiated, and ultimately signed?	The Sheriff of Broward County delegates the collective bargaining negotiation process to his negotiation team, which consists of executive command staff, managerial staff and General Counsel. The Sheriff of Broward County is the signatory for all CBAs	Negotiated with the Sheriff and signed by the Sheriff, Agency Attorney and PBA President, Executive Director, and PBA Legal Counsel	N/A	The Sheriff has a Labor Advisor Team (Sworn Managers and Legal Staff) that negotiate. The Sheriff signs the final agreement	In general the following negotiate: the City's Director of Employee Services, OGC, City's Chief of Employee Labor Relations, Labor Relations Officer, JSO Director of Personnel & Professional Standards, JSO Chief of HR, bargaining unit presidents, bargaining unit negotiators, FOP Vice President, FOP General Counsel and employed representatives for each bargaining unit. The Mayor and City Council President ultimately sign the City ordinance to approve the CBA	PBA and the Sheriff	N/A	N/A	Sheriff		N/A
Total Adopted Budget	\$1,045,747,590	\$773,410,772	\$501,823,160	\$295,647,092	\$517,294,738	\$348,368,710	\$214,997,974	\$187,044,834	\$145,094,864		\$176,370,000
Do funding sources other than county general funds fund the services provided by the Sheriff's Office? If so, please explain	BSO provides law enforcement contract services to 14 municipalities and fire-rescue services to 8 municipalities. BSO also provides contract 911 public safety communications services to 29 municipalities. Law enforcement and fire rescue services for Port Everglades and the Ft. Lauderdale/Hollywood International Airport are provided under interlocal agreements. BSO also utilizes a variety of grants to fund certain services	PBSO also maintains the following funds: Law Enforcement Trust Fund (LETF) - State, LETF - Federal Justice, LETF - Federal Treasury, 911 Call-Taker, Grants, Inmate Welfare, and Capital Projects	Interlocal agreements are used to provide security services with the County and Port Tampa as well as other agreements to provide child protective services, misdemeanor probation services, 911 dispatch, agriculture, construction fraud and park deputies. In addition, funding for some positions is from the inmate welfare fund which is funded from commissions from sale to inmates for commissary and telephone/video visitation	Yes, Grants, Forfeiture, LETF, Donations, Contracts and MOUs	JSO also receives Federal & State grant funds as well as various Trust Funds (e.g. Forfeiture, Inmate Welfare, etc.)	We have a \$12 million contract with the State for Child Protection, we have policing contracts with 13 of Pinellas County's 24 cities, we have a \$9 million housing contract with the federal government to house federal inmates, and we have a jail Inmate Welfare Fund that funds jail services. In addition to our County General Fund revenue, we generate about \$41 million annually in outside revenue	Yes. LCSO receives funds from the Lee County School District and charter/parochial schools for 50% of school resource officer services. It also receives funding from the City of Bonita Springs for enhanced policing in the municipality	The Sheriff's Office's services are primarily funded by the county general fund. The Sheriff's Office provides law enforcement dispatch, police, and other supportive services to municipalities throughout the county, some with a contract	General funds countywide, Municipal Service Taxing Units fund unincorporated areas, Contractual funds service agreements with municipalities and other governmental agencies		Yes. Have contractual agreements for dispatch with municipalities, school resource deputy agreements with the school board, agreements with the state to perform Child Protective Services, and also receive grants and funding from County Special Revenue funds
Support Functions Received from the County (IT, Human Resources, Financial Administration, etc.)	None	None	None	Minimal IT service as email and radio systems are managed by the County. We have a separate IT team and the Communications personnel are OCSO employees	JSO does receive some services related to IT, Payroll and Accounting, but also retains aspects of those functions in-house	None	Lee County provides maintenance for LCSO's facilities	None	None		None. County is responsible for owned facilities and related insurance as well as the Countywide public safety radio system
Are there Sheriff actions that require approval or ratification by the Board of County Commissioners? If so, please explain	LETF expenditures and certain internal fiscal transfers require approval from the BCC, as stipulated in state law. Operational decisions and actions do not fall under the purview of the BCC. Interlocal agreements between BSO and Broward County also require approval by the BCC	Adoption and amendment in the General, Grants, and LETF funds require Board approval. Use of State and Federal LETF funds require board approval	Interlocal and memorandums of understanding are required to be presented to the BCC	Use of forfeiture funds goes before the BCC	Any new appropriations of funds outside of the County's budget process need to be approved by the BCC. Additionally they must approve any new grants or any changes made to the City's Code. The BCC also ratifies the Sheriff's appointed staff	No. As an independent constitutional officer the Sheriff does not report to the Board of County Commissioners. The annual budget is all that the BCC approves for the Sheriff	LCSO requires BCC approval to access forfeiture funds and other sources of revenue	Yes, budget approval	Annual budget		Budget per state statute, LETF expenditures per statute and federal law, request for use of any debt financing - which is usually done through the budget process

Questions	Broward County	Palm Beach County	Hillsborough County	Orange County	Duval County	Pinellas County	Lee County	Polk County	Brevard County	Pasco County	Seminole County
Describe the types and level of police services provided to municipalities across your County (routine police patrol, solely Sheriff functions or a combination)	BSO provides full service law enforcement to 14 municipalities under contract. Certain regional services, such as Aviation and Explosive Ordnance Disposal (Bomb Squad), are available to all municipalities. Statutory services are provided to all municipalities	Municipalities generally are responsible for patrol operations in their jurisdictions. Sheriff provides patrol to the unincorporated areas and 13 municipalities. Corrections in two jail facilities, Court Security for 5 courthouses and transport of inmates. Judges bailiff's (Courtroom Security). Civil Process. Warrants-Processing and execution of arrest warrants. Crime Lab-DNA, Firearms, Latents. Aviation/Drone Unit. Marine Unit. Regional Fusion Center. Strategic Intelligence Unit. K-9 units when requested (Drug, Apprehension, SAR, Bomb, Therapy). Mutual Aid when requested. Vehicle Homicide when requested. Homicide Division for smaller municipalities when requested. Behavioral Services Division when requested. Patrol services in municipalities when they need coverage i.e. officer funeral	HCSO provides a combination of Sheriff functions, patrol, and civil service process. Upon request, HCSO provides support to local municipalities to include Marine, Aviation, Bike Response Team, Mounted Team, EOD, SWAT and use of other specialized units. HCSO works in concert with local municipalities to staff large scale events i.e. Gasparilla Parades, Super Bowl	Sheriff's Office provide Aviation resources to all municipalities. Registration of Sex offender Department. We will assist as requested with investigatory and patrol assistance	The municipalities in our County all have their own Police Departments. We provide assistance on major events and if requested	There are 24 cities in Pinellas County. 13 of those cities do not have police departments and police services in those cities are provided by the sheriff's office. Only 5 of the remaining cities are full service police departments with the sheriff's office only providing minimal services, like crime scene processing and evidence storage. The remaining police departments rely heavily on the sheriff's office for dispatch, records management, SWAT, marine unit, detectives, etc. PCSO has the only law enforcement aviation unit in the county and supports all police departments with helicopter and fixed wing aircraft	LCSO provides secondary law enforcement services to all municipalities in Lee County. LCSO provides routine patrol, community outreach and crime prevention programs throughout the county. Residents can request LCSO service from anywhere in the county. Its Patrol districts incorporate all areas of the county	The Polk County Sheriff's Office provides police services to 6 contract municipalities. In addition, the Sheriff's Office provides a 24/7 Real Time Crime Center, delivery of court process, service of warrants, collection of seized firearms, and law enforcement assistance to municipal agencies to include: crime prevention, educational programs, School Crossing Guards, Crime Scene, SWAT, Aviation, K-9, Marine, Agriculture Crimes, Animal Control Services, Environmental, Criminal, and Narcotics investigations	The Sheriff's Office has authority to enforcement countywide, but each municipality provides their respective LEO services unless such services are contracted to the Sheriff's Office		Sheriff functions, however we work with the municipalities for response, they work with and under the direction of the Sheriff on various task forces established
Describe the types and level of police services provided to the unincorporated areas, if any, across your County (routine police patrol, solely Sheriff functions or a combination)	BSO provides full service law enforcement to the unincorporated areas within Broward County	PBSO provides response to all calls for service countywide when requested, and essential services to the unincorporated area of the county to include road patrol, crime prevention and investigations, as well as courtroom security and service of process	HCSO is responsible for all services in the unincorporated areas of Hillsborough County	Patrol, Investigations and all LE functions in unincorporated areas	The unincorporated areas are still considered within the city limits so the department provides full law enforcement service to those areas	PCSO provides all police services in all unincorporated areas of the county	LCSO provides comprehensive, primary law enforcement service to unincorporated Lee County.	The Polk County Sheriff's Office is a full service law enforcement agency	All LEO services provided in unincorporated areas are done so by the Sheriff's Office		Full service in unincorporated areas with patrol being the primary difference between incorporated services and unincorporated services
Does the Sheriff's Office contract with municipalities for certain services to be provided on behalf of the Sheriff? If so, please explain	No	No	No	No	No contracts. We have memorandums of understanding with other agencies in reference to mutual aid type requests	No	No	No	No		No
Does the Sheriff's Office contract with municipalities for certain services to be provided on behalf of the municipality? If so, please explain	BSO provides full service law enforcement to 14 municipalities under contract and fire-rescue services to 8 municipalities	Yes, we have 13 contracts for law enforcement services provided to the cities, towns and villages	Crossing Guards and School Resource Officers	No	No contracts. We have memorandums of understanding with other agencies in reference to mutual aid type requests	Yes, the Sheriff provides services to the cities but no city provides any services to the sheriff's office	Yes. LCSO has an agreement with the City of Bonita Springs for 12 contract deputy positions for enhanced community policing	Yes, the Sheriff's Office contracts with 6 municipalities to provide dispatch services for, as well as the six municipalities to which Polk County provides full service law enforcement services. The Sheriff's Office provides the following dispatch services within our county, police dispatch for 12 cities and the unincorporated portion of the county, fire dispatch for 12 cities and the unincorporated portion of the county. The Sheriff's Office also provide EMS dispatch for 15 cities and the unincorporated portion of the county, and we receive 911 calls to our Emergency Communications Center for 14 cities and the unincorporated portion of the county	Yes, city of Cape Canaveral, Canaveral Port Authority and Brevard Public School District Security and SROs		Dispatch. Sheriff operates a countywide 911/Dispatch center that includes all 7 municipalities in Seminole County. Free of charge but under agreement the Sheriff provides dispatch and records systems for all municipalities
If applicable, does the Sheriff's Office provide law enforcement services for the Airport(s) and/or Seaport(s) in your County?	BSO provides full law enforcement and fire-rescue services to FLL and Port Everglades under an interlocal agreement	Yes at the Airport but not at Port of Palm Beach (Riviera Beach PD)	Yes, law enforcement services are contracted through interlocal agreements with Port Tampa Bay. Tampa International Airport has its own police force	No	The airport has its own police department. We assist them when requested. The Marine Unit helps with enforcement at the Seaport but we do not have any personnel assigned there. We respond to the seaport if called to an incident	Yes, we are the police provider at the St. Petersburg/Clearwater International Airport	LCSO is a secondary law enforcement asset for the Port Authority Police. We provide assistance when requested. It also has an agreement to provide law enforcement services for airport-owned property that was developed for commercial use	N/A	Yes, LEO and Seaport security for the Canaveral Port Authority		No. The airport has its own law enforcement
If applicable, does the Sheriff's Office provide support to the County (Law Enforcement at Countywide/Regional Buildings, security details for County officials, etc.)	BSO provides full law enforcement services to the Broward County Government Center. The Broward County Board of Commissioners does not utilize security details. Other law enforcement support to Broward County is handled upon request	PBSO does provide supplemental law enforcement support to the county at county owned properties/buildings on an "as needed" basis and in support of the local law enforcement agency having jurisdiction at the location. In addition, PBSO provides security details to county officials on an "as needed" basis when an elevated threat is present. The Sheriff provides security at all 5 county courthouses and the Airport	Yes, HCSO provides county center security through interlocal agreements and receives court services funding (appropriated) for providing courthouse security	Provide a law enforcement liaison to the County Mayor	Some county offices have off duty units that work in them during business hours (tax collector locations, some libraries). Most city buildings are staffed with private security. We have two officers assigned to protect the mayor. We also staff the city council meetings with officer(s)	Yes, we provide security in all county courthouses and main county office building in downtown Clearwater	Yes. The LCSO Court Operations Division transports inmates and provides security at the courthouse. LCSO also provides security details at BCC meeting and other governmental functions when contracted	Yes, the Sheriff's Office provides security to the BCC and Courthouse security, and bailiffs for all sessions of county and circuit courts within the county, as well as the 2nd DCA. The Sheriff's Office and the Polk County School Board have a contractual agreement to have an armed guardian or law enforcement officer on the school campus during operational hours throughout Polk County. The Sheriff's Office has contracts with 2 colleges/universities (8 campuses) within the county to manage their safety and security departments and provide guidance and training to their staff on security related topics.	All County/Circuit Courts		Yes. Sheriff provides building security services for designated County buildings

Questions	Broward County	Palm Beach County	Hillsborough County	Orange County	Duval County	Pinellas County	Lee County	Polk County	Brevard County	Pasco County	Seminole County
Is there a process, either by County Code/Charter or Agreement, for the transition of law enforcement services in the event of an incorporation or an annexation? If so, please explain	Yes. BSO provides an assessment statement regarding any impact involving annexation of unincorporated areas. This question is better addressed by Broward County	No, this would normally be addressed in the municipal code of ordinances or municipal charter regarding what happens if they annex unincorporated areas or decide to become unincorporated	No, there is not a process for the transition of law enforcement services in the event of an incorporation or an annexation	County Code provides for annexation	No defined process. If this was to happen it would go to City Council so that the city charter could be amended	No	Unknown. No newly formed municipalities have sought to create their own law enforcement agency. Instead, they chose to rely on existing LCSO law enforcement services	No. The Sheriff is the Chief Law Enforcement Officer for the county and provides full service law enforcement services. If a city provides primary law enforcement services the Sheriff respects the municipalities authority to provide primary police services	Annexation occurs rather frequently from unincorporated to municipal authority. As such, those areas are then under the control of the respective municipal government		No
Number of District/Satellite/Regional Stations and/or offices		65		6	76	10+	6	20			
Explain the ownership of these facilities (owned by the County, owned by the Sheriff, or privately leased) and their uses	Facilities are not owned by BSO. Facilities are either owned by Broward County, municipalities that BSO provides contract services to, or leased directly by BSO. Facilities are used for law enforcement or other public safety purposes	37 county owned, 13 municipal leases and 15 private leases	The majority of facilities are provided and owned by the BCC. HCSO leases some substations from private landlords. In those instances where a location is leased, the lease is developed in partnership between the County Real Estate, the Sheriff's Office and the Property Owner	Facilities are owned or leased by County. County and SO work together to purchase or lease property on behalf of the Sheriff	67 of the 76 buildings are owned by the City of Jacksonville. 9 additional buildings are leased from private businesses. Includes administrative building, substations, correctional facilities, firing range, marine facility and other various buildings	All facilities used by the sheriff's office are County owned as the sheriff cannot own property	County owned	The County owns the buildings, while the Sheriff operates out of them. The breakdown of the 20 facilities the county owns are as follows: the main Sheriff's Operations Center, the Emergency Communications Center, 5 District Command Stations (a sixth District Command Station is in the construction planning phase), the Sheriff's Processing Center (book in), two jail facilities, the Releasing Center (book out), Detention Building Six, Animal Control, Property and Evidence, Fleet Services, Traffic Homicide Investigations, Supply, Bureau of Special Investigations Section, Bureau of Support Services Section (Aviation, Ag, Environmental, Marine, K-9), and the Lawrence W. Crow Building (Judicial Processing, Inmate Classifications, etc). The contract cities own the buildings operated in the municipality (6 - not counted in the total above) that are utilized by the Sheriff's Office	All facilities and capital equipment are the property of the County and maintained on the county's inventory		Main operations is out of County owned facility, County owns jail that is operated by the Sheriff as well as the Juvenile Detention Center, three region offices – one is owned by the County and the other 2 are leased, we also have various other operational facilities for training, and specialty units that are leased through the Sheriff's operating budget
Who is responsible, operationally and financially, for the maintenance of these facilities?	Broward County is responsible for maintenance of facilities owned by Broward County. Facilities owned by municipalities that BSO provides contract services to, or leased directly by BSO, are maintained in accordance with the terms of the respective agreement	Responsibility for maintenance is shared among Palm Beach County personnel as well as representatives from the Sheriff's Office	The Sheriff's Office is responsible for the maintenance of all the facilities. Funding for the maintenance and/or capital improvements associated with the facilities is identified and requested during established budget cycles	Facilities are maintained by the county. The Sheriff's office is in operational control of the facilities	The 67 buildings owned by COJ are maintained by city employees (whether employed through the City's Public Buildings Department or JSO Employees). For the 9 leased buildings, the maintenance and operation of those buildings depend on the individual leases for each of those locations. Those leases specify who takes care of what individual components of the building (plumbing, HVAC, electrical). All security matters are handled by JSO	All facilities are maintained by the County at the County's expense	Shared responsibility between LCSO and County	The Polk County Sheriff's Office facilities coordinator is responsible for maintenance requests. There is a shared financial and operational responsibility for the repairs and maintenance between the Sheriff's Office and BOCC County Facilities Department	Sheriff		Sheriff for all leased facilities and the County for all owned facilities, however the Jail is done in combination between Sheriff and County staff
Number of Vehicles in Sheriff's Fleet	3,501 (2,739 Law Enforcement 57 motorcycles 334 trailers/utility vehicles 371 fire apparatus/vehicles) Vehicles are owned by BSO. Leased vehicles are not included in this count, as leased vehicles are utilized for undercover assignments, and are leased under open leasing agreements, which allow investigators to obtain or switch out a leased vehicle as necessary	2,939	3,054	2,100	2,222 (1,285 Patrol Vehicles, 28 Motors, 618 unmarked, 286 "Other", 5 Mounted Unit)	1,600	1,077	1,334	1,100		approx. 700
Explain the ownership of these vehicles (owned by the County, owned by the Sheriff, or privately leased)	BSO contracts with a third party vendor for the maintenance of the fleet. BSO directly employs fleet service writers and managers to oversee the process	The vehicles are owned by the Sheriff's Office	The vehicles are owned by the Sheriff's Office	The vehicles are owned by the Sheriff's Office	All vehicles are owned by the City of Jacksonville	All vehicles are owned by the Sheriff	LCSO owned	4 vehicles are owned by the county and 36 are leased from a private company; the remainder (1,294) are owned by the Polk County Sheriff's Office.	County		Owned and/or leased by the Sheriff
Who is responsible, operationally and financially, for the maintenance of the fleet?	BSO contracts with a third party vendor for the maintenance of the fleet. BSO directly employs fleet service writers and managers to oversee the process	Sheriff	Sheriff	Sheriff	City of Jacksonville	Sheriff	Sheriff	Sheriff	Sheriff		Sheriff
Does the Sheriff's Office provide bailiff services for County courts? If so, please explain the reporting structure	BSO provides bailiff services to the 17th Judicial Circuit as well as to Broward County courts. Bailiffs are assigned to the BSO Court Services division, alongside sworn deputy sheriffs, and report to the BSO Court Services commander	Yes, we are required by FSS 30.15 to provide security for trial court facilities. Each judge and magistrate is assigned a deputy sheriff for protection. Additionally, deputies provide exterior building security at all 5 court locations. The exterior deputies also transport remands (arrestees) to County Jail	Yes, HCSO provides bailiff services for the County courts. All law enforcement (certified) deputies report to the Sheriff	The Sheriff's Office provides Court Security, Criminal and Judicial Process to the Circuit and County courts	Courthouse Bailiffs fall under the Department of Corrections within JSO. Immediate reporting of Courthouse Bailiffs is to the Chief of the Jails and Director of Corrections. Courthouse Bailiffs work within the Courthouse in conjunction with the Chief Judge, Court Administration, and the Clerk of the Court	Yes. The Sheriff is the exclusive provider of all court security functions, including all bailiffs in all court	Yes	Yes, the bailiffs report to a Lieutenant. Bailiffs are assigned to the Department of Detention and are employed by the Polk County Sheriff's Office. The bailiffs work with court administration employees, who are employed by the BCC	Sheriff provides sworn courtroom security for county and circuit courts		Yes, judicial security and court services are performed per statutory requirements of the Sheriff

Questions	Broward County	Palm Beach County	Hillsborough County	Orange County	Duval County	Pinellas County	Lee County	Polk County	Brevard County	Pasco County	Seminole County
If any, List Additional Functions Performed Beyond Statutory Duties	BSO provides full service law enforcement, including patrol, community outreach, investigations, and special operations. BSO operates a CJSTC-certified training academy. BSO operates the Department of Detention & Community Programs, as well as the Department of Fire-Rescue and Emergency Services. BSO performs Child Protective Investigations on behalf of Florida DCF pursuant to state statute	The Sheriff's Office also provides exterior protection for the Government Center (Clerk, County Commission, etc.), State Attorney's Office, and Public Defender's Office. We also have one sergeant contracted by the county, that deals specifically with county building security issues, including the outside contracted security firm that runs the magnetometer machines at each entrance	Security Check prior to court (search of court rooms), inmate transport, obtain and verify docket, relay issue(s) to Judge prior to the start of court, maintain order within and often outside the courtrooms, enforce the judge's personal rules, some judges don't allow children or audience's particular attire (must address), ensuring during jury trials victim's families do not enter courtroom with memorabilia t-shirts or recognizable items to influence the jurors, oversee jurors (escort...etc.), assist with the audio/visual, order/return clothing to the Public Defenders' office, order meals and complete necessary paperwork (after delivery hours Sheriff's Office will pick it up), escort jurors to vehicles during high profile trials (if requested and after sunset), liaison between jurors, attorneys, and judge (if needed), ensure jurors have notepads/pens, collect and secure jurors notes at the	N/A	None	The Sheriff operates the county jail and provides child protection services in lieu of DCF in Pinellas County	N/A	N/A	Aviation Services countywide, Interlocal agreement with county to provide all services at the County Jail, Animal Control and Court Security		Child Protective Services, Jail Operations, Juvenile Detention Operations, County Code Enforcement, County Probation, School Safety Official per agreement with School Board, Substance Abuse and Mental Health Unit, Juvenile Programing including Teen Court and Prosecution Alternatives for Youth.
