<b>Summary/Highlights:</b>							
The Council has entered into participation agreements with three of the four future county constitutional officers: Property Appraiser, Sheriff and Supervisor of Elections.							
Attached are proposed participation agreements with the Tax Collector that provide for the county to continue to provide services beginning on January 5, 2021, when the Tax Collector, as a county constitutional officer, resumes some of the duties previously performed by the revenue division. Under state law, the Tax Collector is responsible for the collection of property taxes, non-ad valorem assessments and the issuance of license tags and vehicle registrations. The County remains responsible for the collection of the tourist development tax, convention development tax and local business tax receipts. The participation agreements are organized by subject area:							
1. Facilities; 2. Financial and other services;							

- 3. Employee benefits; and
- 4. Self Insurance program.

In addition to approval of the participation agreements, it is recommended that the Council rescind Resolution 2020-127, which was adopted on July 21, 2020, as a non-binding planning document. Participation agreements govern the transition, such as any requested county services, as is the case with the three other future county constitutional officers.

[Note: The County provided proposed participation agreements to the Tax Collector-Elect and awaits a response. Once finalized, the agenda will be updated with the agreements. The December 15 Council meeting is the last scheduled meeting prior to the effective date of Amendment 10, January 5, 2020].

**Recommended Motion:** Approval of the participation agreements and rescission of Resolution 2020-127
